Ms. Alexis Strauss  
Acting Regional Administrator  
U.S. Environmental Protection Agency  
Region 9  
75 Hawthorne Street  
San Francisco, California 94105

Dear Ms. Strauss:

The California Air Resources Board (CARB) is submitting to the U.S. Environmental Protection Agency (U.S. EPA) revisions to the California State Implementation Plan (SIP), from the following air quality management and air pollution control districts (districts):

- Antelope Valley Air Quality Management District
- Mojave Desert Air Quality Management District
- San Diego County Air Pollution Control District

These revisions consist of amended rules for the districts, as listed in Enclosure A. Also enclosed is CARB Executive Order S-17-016 adopting the districts' rules as revisions to the SIP. To meet U.S. EPA's criteria for determining that rule submittals are administratively and technically complete, we have enclosed evaluations of the effects of the rules on emissions, evaluations of the rules' consistency with 40 CFR 51, and other supporting documentation provided to us by the districts. One compact disc and one paper copy, each containing the revisions in their entirety, are enclosed.

If you have any questions, please have your staff contact Mr. Jonathan Taylor, Acting Chief, Air Quality Planning and Science Division, at (916) 322-5350 or by email at [Jonathan.Taylor@arb.ca.gov](mailto:Jonathan.Taylor@arb.ca.gov).

Sincerely,

Richard W. Corey  
Executive Officer
